

The LITTLE RED HEN

*Once upon a time there was a Little Red Hen, who lived with a duck, a cat and a pig.
One day, the little red hen found some grain of corn.*

Little Red Hen :

Who will help me plant this grain of corn ?

The duck / The cat / The pig :

Not I. I won't help you.

And indeed they didn't help her.

The little red hen :

Then I will.

Little Red Hen :

Who will help me cut the corn ?

The duck / The cat / The pig :

Not I.

Little Red Hen :

Who will help me take the corn to the mill to make it into flour ?

The duck / The cat / The pig :

Not I.

Little Red Hen :

Who will help me make the flour into bread ?

The duck / The cat / The pig :

Not I.

Little Red Hen :

Who will eat this bread ?

Will you help me eat this bread, duck?

Will you help me eat this bread, cat?

Will you help me eat this bread, pig?

The duck / The cat / The pig :

I will !

Little red hen :

No, you won't ! You will not eat this bread.

I planted the seed, I cut the corn, I took it to the

mill and I made the bread all by myself. I will

eat it all by myself !
